beauty and grace...

SPIC MACAY is a non-profit, voluntary, non-political and participatory student movement. The efforts of **SPIC MACAY** would never have been complete without the efforts of the artists who have nurtured the movement and helped it grow. **SPIC MACAY** does not generate funds thus for organizing the programs and despite the generous help from the institution, the chapter sometimes faces financial difficulties. To overcome this and to maintain the continuity of the movement, we have to turn to our well-wishers (central/state government, foundations and trusts, public sectors, industrial houses and the like) for financial support. Donations to **SPIC MACAY** has been exempted under **Section 80G of the Income Tax Act**. We look forward to our well-wishers to help us in this endeavor with generous financial help to keep up the spirit of **SPIC MACAY**.
